LETTERS & NOTICES

We are back! It was lovely to see all the Spring flowers in bloom when we arrived home - a very different story to this time last year.

It doesn't seem like four months since I last did this! Many thanks to Mickey for keeping things going so well while we were away.

John & Margaret

Walking around the village, it seems a little tidier, but not so on the High Street. This should be the showcase of our village, surely it is not too much to ask shopkeepers, businesses and residents to sweep outside their front doors. In places, there are still leaves from the autumn which make the pavements slippery. They could also do the road gutters where parked cars hinder the council's road sweeper. Once done it doesn't take much to keep it on a weekly basis and we would have a pristine village to be proud of.

A Fenstanton resident
(name & address supplied)

Walking around this morning I saw very little of the above, certainly no worse than the other parts of the village I visited. I think we should be encouraging folk NOT to leave the rubbish in the first place.

Hello friends and neighbours,
On the 14th May I will be taking part in the MoonWalk, London 2011.

The MoonWalk is a unique event where thousands of women and a few brave men will not only Power Walk a Marathon through the night but do it wearing a decorated bra to raise money and awareness for vital breast cancer causes. The challenge is to raise over £6 million in one night.

Please support me by giving to this extraordinary charity.

You can either donate by contacting me directly or using the web link below.

Police report: The most recent information available is for the month of January, which had previously been presented to the Parish Council and reported in Spectrum. However, the meeting was unaware of any incidents within the Parish and nothing had been reported on the ecops system.

The Parish Council urges Parishioners to be vigilant and report any suspicious behaviour to the Police. Telephone 0345 456 456 4, Crimestoppers can be contacted on 0800 55 51 11 or in an emergency 999.

Cemetery Lighting: Quotations to undertake the installation of lighting have been requested following a meeting at the cemetery between members of the Council, the Clerk and contractors. Once the quotations have been received they will be considered at a joint meeting of the General Purposes Committee and the Burial Board. It is hoped work will start in the near future to illuminate the path.

Bus Service 15: Following the County Council's decision to phase out funding for subsidised bus services, the service 15 will not operate in the evenings after 8:00pm or on Sundays effective from 17th April 2011. The Parish Council has written to the County Council expressing its objection.

Cambridgeshire Community Services: – Providing a Lifetime of Care Consultation. The Parish Council has responded to the consultation supporting a Foundation Trust for Cambridgeshire or a Foundation Trust for Cambridgeshire and Peterborough but does not support a Foundation Trust for Cambridgeshire, Peterborough and Luton.

Highway Wardens Scheme: The Parish Council resolved not to become involved in the scheme.

Next Meeting: The next meeting of Fenstanton Parish Council will be held on **Thursday 14th April 2011 at 7:30pm** at Fenstanton and Hilton Primary School, School Lane, Fenstanton. Members of the press and public are welcome.

The **Annual Parish Assembly** has been arranged for **Tuesday 26th April 2011, 7:30pm** at Fenstanton and Hilton Primary School.

Disabled Children's Access To Childcare

The Cambridgeshire County Council Disabled Children's Access to Childcare (DCATCH) project is aimed at supporting parents/carers of disabled children in suitable childcare; enabling them to return to work and/or training.

The aim of DCATCH is to highlight that "a child with a disability and his/her family should have access to the full range of childcare options that are open to other families" *Sure Start, 2005*

"A lack of information about the childcare services available, and confusion about the quality and benefits of using childcare, create barriers for some parents". *Department for children, schools and families, Dec 2009.*

The aim of the project is to work closely with parents, childcare providers and

professionals, ensuring inclusion into early years and childcare settings for all. A referral service shows parents where to go for support and guidance via the Childcare Brokerage Service.

Once a family is identified we can then, through the CIS Childcare Brokerage Service, enquire about suitable childcare. This will include information on provision of childcare, funding options, costs, specialist care and specialist facilities, if required by the provider.

The DCATCH project provides a service to families, free of charge and completely impartial. If you would like further information on DCATCH then please ring 0845 04 54 014 and ask for Denis Green or email denis.green@opportunitylinks.co.uk Alternatively check our website www.familiesandchildcare.org.uk and click on the DCATCH link.

NEWS FROM THE VILLAGE CHURCHES

“Christ is Risen; He is Risen Indeed”

At Easter we celebrate the death and resurrection of Jesus Christ, this same person born a baby in a manger at Christmas. At Christmas we see God's humanity; at Easter, we see something different.

Recently I went to an exhibition of Christian resources and general materials. One of the stands was giving out chocolate (rather good chocolate). The Meaningful Chocolate Company was promoting their new Easter egg, *The Real Easter Egg*, a Fairtrade Easter egg that tells the story of Easter on its packaging. Most of you I am sure will know that the origin of the Easter egg is a symbol for stone that was rolled away from the tomb. Jesus, in dying and rising, has power of the forces of death and evil not just in this world, but in the life that exists after we have died. He opens the way back to God.

I am afraid that you will be lucky to find any supplies of this new Easter egg. You can try their website at www.realeasteregg.co.uk, but sales have been extremely good. The major supermarkets were initially sceptical about taking orders for an Easter egg with an overtly religious message. One of them indeed asked why it was that the church was trying to get in on the Easter bandwagon!

A Joyful Easter to you!

HILTON TOTS PRAISE

We had such a good time at half-term when Revd David Busk -- our new Vicar -- joined us at Tots Praise. The story and activity was Zaccheus the Tax Collector, who couldn't see, he was so small. We rigged up a tree for the story and David lifted the children into the tree.

What fun we do have on the last Tuesday of the month at Hilton Church, 1.30 -- 2.30pm. A nice cup of coffee awaits you. Do come for songs, stories and activity. We look forward to seeing you next time on the 26th April.

Katy and Richard gave us a fascinating insight into the Quaker movement at our last meeting and brought along their wedding certificate to show us. It was rather large and had been signed by everyone who was at their wedding. We shall be meeting on Monday 18th April at 7.30pm, starting the evening with refreshments.

FAIR TRADE COFFEE MORNING Our next coffee morning is on Saturday 2nd April from 10.00am until 12.30. As usual, there will be Fair Trade goods and food for sale and lots of coffee/tea and cake available while you chat! This month we would like to give a special invitation to families to come along and are offering an activity hour for children (with Easter in mind) from 10.00 till 11.00am in the Methodist church.

LENT LUNCHESES Thank you to all who have supported the previous three lunches held in March. Nothing better on a bright sunny day than to sit and have a good chat and enjoy a lunch of cheese and lovely fresh bread. Anyone is more than welcome to join. The next lunches are being held on:

6th April at Heather Woods 7 Chequers Croft

13th April at Linda Stott Abbotsmede Chapel Close

Time is 12.30 until 2.00pm and a donation of at least £3 is asked for. All proceeds will go to Huntingdon Mencap. Come along, enjoy, and support a very worthwhile local cause. You will be made very welcome.

Cambridge University Botanic Garden --- A touch of the tropical

While over-wintered broad beans and early-sown pea shoots are emerging on allotments everywhere and Wisteria vines are clothing brick walls in blue or white drapes, a quite different member of the vast and economically important Fabaceae plant family is the showstopper in the Botanic Garden's Glasshouse Range this month.

The Jade Vine (*Strongylodon macrobotrys*) is a tropical, climbing relative of garden favourites in the Fabaceae (or pea) family, which include beans, peas, sweet peas, Wisteria and Laburnum. It has formed a dense lattice of branches in the canopy of the Glasshouse Range from which up to 100 racemes extend down and form a thick curtain that visitors must (carefully) push through to continue on their journey through the Cambridge tropics! We have one of the best-flowering specimens in UK cultivation, with each purple raceme stem supporting many cartwheels of the sensational, almost neon, blue-green flowers that give rise to the common name of Jade Vine. In its native Philippines, the Jade Vine reaches more than 20 metres in height and is pollinated by bats! It is thought the bats are attracted by the luminosity of the flowers in the tropical twilight, and they hang upside down on the raceme stalks to gorge on the vast quantities of nectar in the flowers. With the flowers dangling down to eye level in the Glasshouse Range, the rich sticky nectar can be easily seen and a close-up inspection of the claw-like flowers reveals the floral similarity between this spectacular tropical liana and the peas and beans we are more familiar with. In the wild, the Jade Vine is considered vulnerable to extinction due to extensive deforestation, so do come and enjoy this extraordinary plant at its flowering peak this month.

Juliet Day, Development Officer,

The Botanic Garden is open 10am - 6pm in April and through the summer months. Admission is £4 (£3.50) or join the Friends & help the Garden grow! To join the one-hour highlights tour led by an expert Garden Guide that leaves Brookside Gate at 11am on the first Saturday of every month, telephone 01223 336265 to book a place (£7, £3 for Friends). Or bring the children along to one of our drop-in First Saturday Family Fun workshops. FRINGE IN THE FEN BLOWN AWAY BY OFFER FROM KIMBOLTON FIREWORKS

Following the recent launch of Fringe in the Fen, Fenstanton's own music and arts festival in aid of Macmillan Cancer Support, Kimbolton Fireworks has offered to create a spectacular firework display free of charge for the festival finale, Proms in the Park on Saturday 16 July 2011 at Fenstanton Manor.

After eight days packed with diverse and exciting music and arts events here in the village, the first ever Fringe in the Fen will come to a spectacular end. The East Anglia Chamber Orchestra will be joined by a massed choir of local musicians from St Ives Choral Society, New Cambridge Singers, Swavesey Community Choir and the Cambridge Chord Company, conducted by Festival Musical Director Graham Ross.

This traditional flag-waving finale will be introduced by former BBC Look East presenter James Blatch and the programme including Handel's Zadok the Priest and O Fortuna from Carmina Burana will culminate in a rousing rendition of Jerusalem in Fenstanton's green and pleasant land. The firework display offered by Kimbolton Fireworks will be the perfect ending to the evening and Fringe in the Fen 2011.

The Proms in the Park performance is sponsored by Dairy Crest which together with Kimbolton Fireworks' donation ensures that the profits from all ticket sales will go directly to Macmillan Cancer Support in this their centenary year.

FENSTANTON FOOTBALL CLUB

WE HAVE MADE THE CUP FINAL!

Fenstanton Football Club booked their place into the final of the Hunts Benevolent Cup on Saturday after beating St Ives Rangers in a thrilling semi final battle. Rangers took the lead early on in the match but Fenstanton managed to equalise with a tight angled shot courtesy of Josh Turner and then Liam Mitten, lobbing goalkeeper Ross Prior to take the lead before half time. Rangers equalised in the 2nd half but Josh Turner managed to put Fenstanton in the driving seat again making it 3-2. Substitute Salv Merola slotted home from close range taking the score to 4-2 but then Turner confirmed the victory and completed his hat trick when converting a penalty after Liam Mitten was brought down in the box. Final score 5-2.

The final is to be played on Wednesday 20th April against St Neots Town Reserves at Somersham Town Football Club. Kick off is at 7.30pm.

HELP US GET OUR NEW KIT! Also Fenstanton FC are trying to collect any unwanted CD albums and DVD's to get a new kit. Website MusicMagpie.co.uk are giving

grass roots sports clubs an opportunity to receive a new kit if they swap it for 500 CD's or DVD's. So if you have any unwanted CD albums or DVD's please email ttilbury@gmail.com -- Any donations and support would be appreciated!

DOG OWNERS - A REMINDER! Fenstanton Football Club's field is privately owned and there is NO automatic right of access. However, an annually reviewed arrangement exists with the Parish Council to let the public have access to the field to pursue sporting and similar leisure activities. Dogs are NOT permitted on the football field at ANY time, irrespective of whether the owner is passing through. There are signs that clearly state this, but it seems that people ignore them. Both adults and children have fixtures on Fenstanton Football Pitch each week and clearing up other people's dog mess is not what we want to have to be worrying about before matches. If dog-owners continue to ignore this, access to the field for ALL non-FFC activities may be withdrawn. Please do NOT walk your dogs on our property.

Thank you.

FENSTANTON WI

I arrived at the March meeting to be welcomed by a display of beautiful hats! 36 of us sat down to listen to our speaker, Abigail Crampton on the subject of millinery. Abigail studied at the London school of fashion for 2 years before she went into millinery. She gave us an excellent demonstration on how to make a hat. She works in straw, which comes in many colours from the Philippines and it is also a fair trade product. She showed us with the use of a tulip wood mould, some steam and a lot of expertise how to create a hat for Ladies Day at Newmarket. Once steamed it has to stand for at least 2 days to dry out and it could take another 3 times steaming before it is ready to decorate. The headband and interior finish are done before flowers feathers etc are added. We were all enthralled and amazed at the finished product Abigail told that she works for herself and has done so for the last 4 years and built up a reputation as a 1st class milliner. She also said that fascinators have taken over a lot from hats and that she makes those as

well! We also discovered that the average size of a lady's head is 56.5 cms! And when wearing a large brimmed hat the brim should not be wider than the lady's shoulders. And always wear your hat at a jaunt. One of our lady's sons is getting married in June so Abigail is making mothers unique hat! An excellent demo. Ann Groome gave the vote of thanks.

FENSTANTON BOWLS CLUB

NEW OUTDOOR SEASON STARTS SATURDAY 23rd APRIL 2011 AT 3.00pm.

By the time you read this we will be nearly ready to open up the bowls club complex at West End Road Fenstanton for the summer season. We are a small friendly club but a very competitive one. This season we have entered 1 Men's team in the Hunts. League; 2 in the Hunts. Ladies League; 2 teams in the Mixed Cambridge and District League and 2 teams in the Mixed over 60's League. We also have County and Club Competitions and a great round of Friendly Matches. When I first started bowling (too many years ago to remember how long) I was told that I could be playing bowls every day of the week!! This could happen if you want it to, or if you only want to play one evening, or just Saturday in the Friendly that is just as good. Please come along and have a go. It only costs £35 to join for the season and we now have a qualified coach who you can "hire". If you want to know a bit more about us or our achievements during 2010 please go to our web site www.fenstantonbowlsclub.co.uk .

I look "four wood" to seeing you on Open Day, 23rd APRIL, 3pm .

REMEMBER LINE LENGTH AND LUCK

Daphne (Loveday) Secretary

FENSTANTON VILLAGE SPORTS

Well putting the sports news at the beginning of my missive last month didn't seem to make any difference, still no volunteers, so I will give you news of the committee first.

Our new matron decided that we were so well behaved (the secretary hasn't thrown his porridge at anyone for weeks) that she would take us out for a walk to St Ives along the Misguided bus way. We were all a bit concerned about this because we were promised a bus every 5 minutes or so two years ago and we all assumed that this was the case. We were assured that there was a path alongside the route so we thought OK, that should be safe. But alas, the path was flooded so we had to brave the buses. In single file we set out with matron in the lead like the intrepid adventurers we are. All was going well until that blinking fool of a secretary who was bringing up the rear shouted 'BUS!' Have you seen those war films where the refugees are making their way along a country road bordered by tall trees and ditches, when out of the blue a Stuka dives out of the sun with guns blazing and all that is left on the road is a cute looking piglet pitifully squealing and an abandoned bike with one wheel slowly spinning? It's a long way down that embankment! Still the paramedics and the air ambulance were wonderful and to top it all they told us that there are no buses running yet, would you believe that? The

new matron is a gibbering wreck and has to be restrained at the sight of a bus. I think we will be getting the old matron back, magic knickers and all.

Sports Day 2nd July

Any nominations for the Community award individuals or groups please contact us.

We are **still** looking for specific volunteers to help with the barbeque.

If you can help on a stall all afternoon or just for a short while we will have a list of existing stalls and new ones we have yet to invent up by the middle of April, in Ron's shop . So if you fancy helping out please have a look. Any clubs or organisation can man one of our stalls or bring their own along, all you have to do is contact us and let us know in advance (this includes those who already have stalls on Sports Day) all we ask is that you share the profits with us or make a donation to funds.

Anyone wishing to donate a trophy please contact Jan on 462189.

Look out for new categories and changes to the produce show.

Don't forget we have marquees, gazebos, tables and chairs etc and they are available for hire within the village for a small donation to funds.

To volunteer or ask about any of the above contact a committee member

So where in the world could scouting take you.....

The answer in Aimee's case is Senegal!!! Aimee Barkway joined our Scout Group aged 10 and in the past 8 years has since made the most of each and every opportunity. Her travels with scouting range from events in the UK to two weeks in Norway, a month in Gambia (building

facilities at a local school) and now of course a week in Senegal. She is currently studying at York University, and helps us whenever she is home.

She was one of just 3 young people chosen to represent UK scouting on a project involving European and African Scouts. The project lasts throughout 2011 and is called "Unguvu", a Swahili word which translates as "strength through unity". Funded by the European

Commission the project aims to help young people in scouting from both continents strengthen existing partnerships and create new ones. In total 35 young people are taking part - from 6 African nations (Angola, Burkina Faso, Burundi, Malawi, Senegal and Zimbabwe) and 5 European nations (Finland, France, Germany, Portugal and the United Kingdom). The project will develop further at future meetings in Nairobi, Kenya in April and the final meeting of the full team in Burg Rieneck, Germany in June

"Most days we were working from 9am to 11pm. To anyone who was jealous that I was going on holiday- you were very much mistaken! I really enjoyed my time in Dakar and I'm very grateful to have been given the opportunity to go. I've learned so much and made lots of new friends from corners of the world that I've never even seen before. Amazing!"

A full report with more photos can be found on our website. Needless to say we are extremely proud that Aimee was chosen to represent the UK, and we hope her story inspires those boys and girls currently in our Scout Group to make the most of all we offer. After all, who knows where in the world it may take them....

Inspired?

More adult volunteers are still needed to become leaders with our Scout Troop. Perhaps Aimee's story has helped inspire, realising that the youth of today are capable of anything – if only we give them the opportunity to prove it. Just get in touch if you would like to find out more.

HILTON WI

The husband of one of our members, Stuart Watson was the speaker at our March meeting. Stuart is director of The Connoisseur Wine Company which imports wines from all over the world and brought with him several white, rose and red wines for us to sample as he explained the way they are grown and the climates which produce the distinctive wines in their countries of origin. It was a very convivial, relaxing evening as we sampled a Pinot Grigio from Italy, a Sauvignon Blanc from Chile and a Zinfandel from California amongst others. (Luckily most of us were walking home!) He also explained the organic and biodynamic growing methods which have the effect of producing less sugar in the wines, a bonus of which is that these wines are said to cause less headaches - a point well noted.

As usual we have plenty of interesting activities in the pipeline and have attended other events organised by the county Federation in Huntingdon and neighbouring Institutes in the St Ives Group. Celia has been busy organising the spring dinner for **Friday 15th April** and the outing to Sandringham in July. Our summer lunch which is usually held in a member's garden, weather permitting, will be on 9th August. The Craft Group is still going strong on the first Thursday of each month at 1pm in the Village Hall and new crafters are always welcome.

Next month Sarah Fowler will be taking us through the history of chocolate making - and we are hoping for some sampling that evening too.

If you would like to know more about Hilton WI please ring our Secretary, Ruth Salem on 01480 830358.

HILTON FLOWER CLUB

At our meeting on 7th. February, we were treated to arrangements done by three of our members, June, Nicola & Beverley.

We really felt that Spring is on it's way with all the flowers & envied the lucky winners.

Beverley explained what we would be doing next month at our "workshop". ---please bring 2 spiky leaves & some large ivy type leaves + a covered baked bean type tin !

A letter was read out from the Produce Show Committee asking members for their support in the Flower Arrangement Classes on 24th July.

Please remember that the money for the outing must be paid by the next meeting.

NEXT MEETING

Hilton Village Hall
on Monday 4th April, 2pm.

HILTON PRODUCE SHOW

Hello again! We hope that by the time of printing warmer weather will be with us again. We have enjoyed the display of spring flowers, trees and shrubs around despite the cold. Further information and final details will of course be available nearer the time.

HILTON FEAST WEEK

"They are under starters orders and they are OFF! Another great night was had by all at the **Hilton Cricket Club & Hilton Feast Week March 'Race & Supper' fundraiser**. The action was fast and furious with the race to get in front of the screen to view the races every bit as entertaining as the races themselves! The night started briskly, was soon into a canter and we galloped home before 11pm! I would like to thank Alan Salem and all the members and friends of Hilton Cricket Club for all their hard work in putting this event on both beforehand, and on the night. The sweet & sour chicken with rice and prawn crackers was superb and a welcome addition to the repertoire of wonderful suppers that the Hilton ladies put on, thank you. Further thanks must go to Dean Minter of Eclipse Disco for his generous supply of the PA system and rear projector.

On **'Saturday 2nd April's Family Quiz'** Big Craig will be firing up his new toy, a wonderful catering quality BBQ and the children will have the Sweet Bar to distract them and to tax their parents pockets! This was a wonderful event last year and gave the children an event of their own to help them feel part of Feast Week in the run up, not just during the week. The winning team name will appear on a cup that the winning household can proudly show off.

'Salsa & Spanish Supper' 7th of May 7:30 start, tickets £8.50 to incl a class of Spanish Punch. We've been fortunate to once again secure the silky dance skills of Steve to guide us through and fill with confidence even the most uncoordinated amongst us. Last year this was the surprise fundraising hit of the year. A packed hall, literally standing room only, danced the night away! **'Breaking News'** we've broadened the supper menu to include a wide range of Spanish delicacies such as Albondigas – seriously tasty meatballs in tomato sauce, Chorizo and

chicken casserole, Tortilla Espanola and tapas. Back by popular demand we will also have some 'themed' cocktails to oil the limbs and put the swing into your hips. **'Hot off the press'** – This year's **'theme'** for the Feast Week Floats is **'Royalty – Through the ages'** our small acknowledgement to the happy Royal event in April.

This year's all important date for your village diary is **'Sunday July 24th – 31st July 2011'** which of course is the date for Feast Week.

We are working much more closely with the Village Website to can bring you updates. These will be found at: www.hilton-village.com

FEN DRAYTON LAKES

Does it seem like we've had a long winter? Having so much snow before Christmas makes me think so. Now that the calendars are moving on to April, winter really must be over, even if frosts are still likely to happen.

Winter is over! Our information point at Holywell Lake car park will be operating the "summer" schedule. That is every Saturday, Sunday and bank holiday from the beginning of April to the end of October. Thanks to one well-known couple, we can be out for an extra day at the end of April. Spending a whole weekend in a car park may not sound exciting, but it can be. We get to meet many interesting people – some we see most weekends, others are visiting for the first time and want to know what's about and where to walk. We also see a lot of birds from there – in recent years, we've recorded over 120 different kinds just from the car park!

Fine spring days are when we may see migrating birds of prey passing over – perhaps an osprey heading to Scotland – and local birds doing their courtship and territorial displays. Last spring, several wheatears rested on the field next to the car park before continuing to the moorland breeding areas.

Of course, much happens away from the car park, so whenever possible at weekends and bank holidays, we'll have someone at a viewpoint to show visitors something interesting. You will be able to find out about the daily highlight at the Holywell Lake car park.

Neil Renwick, Community Projects Officer,

T: 01954 233267 or E: neil.renwick@rspb.org.uk

Our address is RSPB, The Grange, 20 Market Street, Swavesey, Cambridgeshire CB24 4QG.

Events in April, all begin at Holywell Lake car park, with a guided walk charge of £1 for children, £2 for RSPB members, £4 for others.

Wednesday 13th, 10am-1pm – **Wednesday Wander**

The first of a new series of guided walks, on the second Wednesday of each month, searching for seasonal highlights in the natural world

Sunday 16th, 10am-1pm – **International arrivals guided walk**

We'll look for birds that have recently arrived from Africa, finding out which ones are in transit, and which will stay. Enjoy their singing too.

Sunday 24th, , noon-4pm – **Family discovery trail**

Pick up a trail guide at our information point, search for clues and answers on a special route. Free.
