## Obituary

We are sad to announce the death of a much respected and dearly loved member of our community.

**Alfred John Dady**, known to all as "**Jack**" passed away peacefully just after 4pm on Thursday 30th November 2006 at the age of 93.

## **POPPY APPEAL**

I would like to take this opportunity to thank everybody who collected door to door for the Poppy Appeal in the villages of Fenstanton and Hilton, the businesses in the Villages who had collecting boxes and to the Churches for their kind donations.

Also to all of you who donated to the Appeal. To date, a total of 2649.30 has been paid in to the bank for this years appeal which is an increase, so far, of £216.00 on last years total.

I would also like to say thank you for the very many messages of support I received with regard to Remembrance Sunday.

**Gill Dartford**

Poppy Appeal Organiser

## **Dear Spectrum**

I write to you on behalf of the United Reformed Church in Fenstanton, thanking you and your distribution team for the splendid job done in delivery this season's Christmas cards. Your time and efforts are greatly appreciated.

**Ray Condor**

Secretary to Fenstanton United Reformed Church

## **Plymouth – Dakar Challenge.**

Thank you to everyone that supported my coffee morning in December – it raised £400 for the Motor Neurone Society. The boys left in a 1977 Peugeot 205 and VW camper van during the morning and arrived, via Cambridge, London, Plymouth, Spain, Morocco, Western Sahara, Mauritania and Senegal, in Banjul, Gambia 3 weeks later. The vehicles took a battering (driving through soft sand at 60 to 70 kph); the camper took off a couple of times but dealt with the desert better than the boys! The pot holes in Senegal and the Gambia were the size of bath tubs, and add darkness, no sleep, hanging exhausts, donkey carts without lights, customs officials and police patrols, and it was certainly an adventure. The boys reported that it was an 'adventure of a lifetime, if a little frustrating at times'.

The Peugeot is to be sold for a Gambian charity, but Stuart (my son) and Allan (from Norway) intend to bring the camper van back to Hilton - another 4,000 miles (they must be mad!). Stuart is rather attached to the camper and after all what is my garage for – certainly not my car!

Thank you all for your interest and support.

**Celia Sutton.**

# **Parish Council Report**

FENSTANTON

Held 11<sup>th</sup> January 2007

Prior to commencement of the meeting a minutes silence was held as a mark of respect to the late Mr Jack Dady a former member and Chairman of the Council.

## **Police Report.**

During the period 4<sup>th</sup> November 2006 to 9<sup>th</sup> January 2007 the following incidents had been reported to the Police :-2 criminal damage; 1 theft. Members of the Council expressed concern that the report received from the Police did not include all reported crimes.

## **A14**

The new A14 proposals caused considerable debate. It was overwhelmingly agreed to oppose the Blue Route Variation 2 due to the catastrophic effect the proposed scheme would have on the Village. The Highways Agency booklet, which has been distributed to every house in the Village, states that 5 houses in the Village and several farm outbuildings will be demolished. The close proximity of this route will greatly increase air pollution (which is already monitored) and will significantly increase the level of noise. A further knock on effect will be a significant reduction in house prices and possibly some parishioners suffering negative equity on their properties.

It was agreed to hold a Public Meeting on the 25<sup>th</sup> January in the Church Centre to ensure that the views of all members of the Parish are incorporated into the Parish Council's response to the Highways Agency and to consider other methods of opposition to this outrageous scheme.

Parishioners are requested to complete and return the questionnaire on the back of the Highways Agency leaflet as soon as possible. If this has been accidentally mislaid your comments can be addressed to :

Miss Cara Cosson, Business Manager & A14 Support, Woodlands, Manton Lane, Manton Industrial Estate, Bedford MK41 7LW. Your comments and views can also be sent to our MP at the constituency office: Mr D Djanogly MP, HCCA, 8 Stukeley Road, Huntingdon PE29 6XG.

## **Parish Boundary Changes.**

**The District Council are currently consulting on a number of Parish boundary changes, one of which will affect Fenstanton. Consideration is being given to amalgamating Greenfields, Maytrees, Elizabeth Court, London Road, Bridge Terrace, Enderby's Wharf and the Low Road (as far as the White Bridge) into St Ives. Residents have not been advised of these possible changes by the District Council and the effect it will have, for example an increase in Council Tax as the St Ives Rate is higher than levied in Fenstanton. Before the Parish Council responds to the consultation we would be pleased to receive the views of those parishioners affected. Please write to the Clerk, Fenstanton Parish Council, 12 Dove Close, Fenstanton PE28 9LX before 6<sup>th</sup> February as the matter will be discussed at the Parish Council Meeting to be held on 8<sup>th</sup> February.**

## **Village Sign & Festive Lights.**

The Parish Council would like to thank the following;

Mrs Donna Butcher for her efforts in maintaining the flower bed at the base of the Village sign during the past year.

Mrs Daphne Loveday for organising the display of lights on the Clock Tower over the Christmas period and Mr Harvey Loveday for braving the elements during the installation of the lights.

## **Next Meeting.**

The next meeting will be held on Thursday 8<sup>th</sup> February 2007 at 7:30pm at Fenstanton and Hilton Primary School. All members of the press and public are welcome.

# **Parish Council Report**

HILTON

**A14 Consultation** A second A14 exhibition was to be held in the village on 8 December. Following this, a public meeting was scheduled to be held in the Chapel on 12 December to enable the Council and the A14 Action Group to assess the feelings of the village regarding the latest A14 proposals. Residents were urged to attend. The Council believes we can make a difference, especially to the environmental issues and urges residents to make the Highways Agency know of your concerns. The closure date for comments to the Highways Agency is 9 March 2007.

**Traffic**. Following a meeting between the Parish Council and Cambridgeshire County Council, it was agreed that they would carry out a full speed and volume census of traffic through the village in the New Year although funding for any major work was currently not available. In addition, Mr Bill Halford had agreed to set up a group to look specifically at HGV issues and anyone interested in supporting this work is asked to contact either the Clerk or Mr Halford.

**Planning Matters** The Council has had a relatively quiet period with only some amendments being made to existing approved applications at the land opposite Hilton Hall and at 20 Scotts Close.

**Village Hall Car Park** The new car park at the Village Hall was completed on time and on cost. Until the grass seed planted during construction has taken root, the surface is likely to remain a little muddy. However this will improve over time. In addition the holes in the gravel have been repaired.

**Parking on the Green.** In an attempt to reduce the damage being done to the Green along Wraggs Row, the Council has embarked on a trial involving the erection of some anti parking posts and some raised earth verges. The effectiveness of these measures will be evaluated in the Spring.

**Cricket Nets.** The Parish Council have not agreed to proposals for the erection of a permanent cricket net on The Green believing that there would be problems from vandalism, long term maintenance concerns, the creation of an unsustainable precedence and the potential visual impact on The Green

**Finance.** The Council has requested a Precept of £18375 for the financial year starting April 2007 which represents an increase of 5% over last year. This level of increase is in line with the expected level of Council Tax rise.

**Crime.** There has been an increase in reported crime over the past month. There was an attempted break on the Green on 8 Nov with an attempted distraction burglary in St Ives Road on the following day.

Over the period 15/16 Nov there were three vehicle crimes: In Kidmans Close, rear seats of an insecure car were stolen. In Chequers Croft, the door of a vehicle was forced and items of stereo equipment stolen. In the High Street a car was forced open and a Radio/MP3 player stolen. Finally on 28 Nov the brake pipes on a car in Potton Road were cut.

## To the Residents of Fenstanton and Hilton Parishes

December 2006

Dear Residents,

### A14

I am sure you are all aware that the Highways Agency is undertaking consultation about a new route for the A14. I would very much appreciate receiving your views on this subject.

The Highways Agency has arranged consultation exhibitions at the following venues in the New Year, which will enable you to see more details of the proposals –

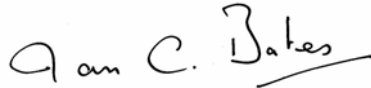

The George Hotel, George Street, Huntingdon – Thursday, 11th January 2007, 12 noon/8 pm

The Church Centre, Church Lane, Fenstanton – Friday, 12th January, 12 noon/8 pm

Memorial Centre, Thrapston Road, Brampton – Saturday, 13th January, 10 am/4 pm.

The consultation period finishes on 9th March 2007 and it would, therefore, be useful if I could receive your views by the end of February/beginning of March.

Yours sincerely,

**Councillor Ian Bates**

**County Councillor for The Hemingfords & Fenstanton Ward,**

**District Councillor for The Hemingfords Ward**

## Hilton A14 Action Group

We are asking all villagers to take the time to send in comments to the Highways Agency on the A14 consultation before the cut off date of 9 March. In fact, we suggest you send in your comments by Monday 27<sup>th</sup> February to ensure that they arrive in time, and copy them to our local MP Jonathan Djanogly, and our local Councillors Ian Bates and Chris Stephens. You might also want to consider copying your views to the Secretary of State for Transport. For those of you with email, all of these people can be contacted by email. Contact information at the end of this item.

By the time you receive this, the last of the public exhibitions will have been held. The first of these was in Hilton and we were pleased to see it was very well attended. We then held a public meeting in December which was reasonably well attended with a good discussion on the merits of each route.

The consensus at that meeting was to support the Brown Route. The Brown route is the one that appears to follow the line of the original CHUMMS 2001 proposals most closely. It is the one that we have been pressing for a return to in all our meetings and correspondence

### STOP PRESS!

The District Council will be voting on the preferred route for the A14 on February 21st get your views to Ian Bates and Chris Stephens by then!

## **A14 (continued from Page 11)**

with our elected representatives and government bodies. It was one of the demands of the petition we submitted last year.

Although, on the face of it, Blue Option 2 route might look more attractive to Hilton there was very considerable concern about the main junction for this section of the road being sited at Galley Hill under this option, potentially adding to traffic through the village on the B1040. Doubts were also expressed on the likelihood of such an option ever being chosen, given its likely impact on Fenstanton.

Any route, including the Brown Route, will, however, have some impacts on the village. In line with our previously stated aims, we will continue to press for the best possible amelioration measures to lessen these impacts. As far as possible, we will be working with other villages that will be affected by the new road to press for these. To this end, representatives from a number of parish councils will be attending a meeting on 25 January called by Hilton PC. Whilst villages may have differences on which route they prefer, we hope that we will be able to present a united front on the mitigation aspects. It is important that these matters are considered at every opportunity.

We will therefore be pressing the Highways Agency to see what measures are going to be taken. We hope to be meeting with Jonathon Djanogly again on 9 February and will seek his assurance again that he will be pressing for a public enquiry once the route has been announced. This will be a further opportunity to ensure that amelioration is done to the best possible standards.

**So, whatever your views, please take the opportunity to respond to the Highways Agency consultation** either by returning their questionnaire, filling it in on-line at [www.highways.gov.uk](http://www.highways.gov.uk) or by writing a letter. If anyone has mislaid their form and would like another please let us know and we will be happy to help. **This is your opportunity to have your say. The more people who write in, the more the Highways Agency will have to take notice of your views.**

If you need any information whatsoever to assist you in submitting your views please contact Peter Balicki on 831787 Lissie Wright 830577 or Jon Dooley 07885 636745 to discuss.

## Young People's Music Evening at Hilton Village Hall

Friday October 13<sup>th</sup> saw a superb music evening in Hilton Village Hall. The event was organised by a group of young people from the village under the guidance of the PARC Project, a local initiative to try and encourage young people to become more involved in their communities.

I was lucky to be present throughout the evening and was impressed by many things:

- The quality of the music.
- The organisation that went into the evening.
- The friendly atmosphere created.
- The excellent behaviour of all the young people present.

I hope this is the first of many events that this enthusiastic group organises. Congratulations to all involved for putting on such a splendid evening.

If there are other young people who would like to be involved in the PARC Project in Hilton, call Lorna on 01480 494333 or e-mail: [lorna@young-lives.org.uk](mailto:lorna@young-lives.org.uk) Similarly, if your are an adult who would like to help with this project, please also make contact with Lorna. **Ian Stott**

## **Hilton Village Ball 2007**

Preparations are under way for the staging of a Village Ball this year on 20 July 2007. The 2005 Village Ball generated lots of very positive feedback and so we were keen to respond to the many requests for another Ball. We have therefore liaised with the Parish Council and written to those Villagers whom we know had concerns last time and can confirm that, provided we get enough interest from Villagers, the 2007 Village Ball will go ahead on the Green again making use of the marquee that is put up for Feast Week.

Letters have gone to those Villagers who had tables in 2005 and we have also tried to identify new Villagers who might be interested in buying tickets. However, if you are a resident of Hilton and would like tickets and we have not been in touch, I apologise and would encourage you to contact any member of the Ball committee (names below) who will be more than happy to sell you a ticket.

We are aiming to sell a maximum of 350 tickets and we expect the ticket price will be £50 per head, the increase from last year being primarily as a result of increased catering costs, although we are trying hard to bring the price in a little lower. Weather permitting the format will be very similar to the 2005 format, canapés and a drinks reception around the Maze, a sit down dinner followed by dancing to a band and disco. We are also looking into other entertainment possibilities and of course we will be working hard to get the marquee looking its best!

To those of you who attended in 2005, I sincerely hope that you will support the Ball again – in my opinion it was a fabulous evening and a welcome addition to the Village's social calendar. To those of you

who, for whatever reason did not come along in 2005, I would encourage you to buy a ticket and join us for what I promise will be a very enjoyable evening.

## Fenstanton WI

We ended 2006 in style with a delicious Festive dinner cooked by Pam Hucklesby followed by a variety of puddings provided by the committee. Afterwards Daphne Loveday's wish of many years to have a magician for our entertainment came true. Mr. John Whitmore, a member of the Magic Circle certainly did not disappoint. His interest in magic started when he was 8yrs. old. He collected tops off Quaker Oat packets to obtain a book on magic. He first practised his tricks on family and friends and then progressed to public performances through Church events. He demonstrated a trick from that first book and Emily aged 8 yrs. whispered to Mum that the box was up his sleeve. She was right! But after that we were bemused and wondered how did he do that? He threw an invisible pack of cards to Lorna and she had to select an invisible card. Then she put the invisible card into a real envelope which she sealed herself. She told us the card was the nine of diamonds and when the envelope was opened there was the real card. A truly superb performance.

We started 2007 as we mean to go on with fun, laughter and friendship when we went to see Aladdin at The Burgess Hall. "He's behind you!" – a traditional pantomime with plenty of audience participation. Daniel will never forget the moment when the Dame pointed at him and shouted, "That boy just called me a fat lady". Come and join our friendly group. We meet on the first Thursday of each month in the Church Centre at 7.30 pm. For more information contact our secretary Beryl Harvey (01480) 469278.

### Dates for Future Meetings.

## Hilton WI

After the official business, the Christmas celebrations began with mince pies, punch, a raffle and entertainment provided by the Music Hall Society featuring our member Noreen Plows who headed a riotous production of song and dance. It was thoroughly enjoyed by all and after showing our appreciation they concluded with Christmas songs. The Society performs in the area for charity and their evenings are thoroughly recommended.

2007 began with great hilarity – a talk on 'The Mistress, her maid and men in their lives' – Deana Hudson was her usual entertaining self, dressing Kathy in all the underclothes that a Victorian lady would have worn.

The speaker at February's meeting is Jo Murray, and the subject 'Circle of Care'.

## **Fenstanton Pre School**

As we return from the Christmas holiday it is very busy at Pre School with all the children taking part in lots of activities around our alphabet theme. This week we had a granddad come and talk to us about being a paramedic as 'A' is for Ambulance!

Since moving into our new building the number of children attending has increased dramatically which is fantastic and we are now able to offer full days (9.15am – 3.00pm) as well as morning only or afternoon only with lunch club, if required.

In December we held our AGM, which was very well attended and were pleased that five new parents stepped forward to join the committee with Bernadette Weaver and Roz Cowburn taking on the role of joint chairperson. This is excellent news and will lead to many exciting things happening at Pre School as we move forward.

We take children from the age of 2 and 9 months, and will add them to our waiting list at age 2, so if you are interested in finding our more please do not hesitate to telephone on 01480 496156 or call in to see us.

## **Fenstanton Over 60's Club**

This is our itinerary from before the Christmas break. We all met on 6th December and a friend demonstrated the art of Christmas table decoration. The displays were very colourful, using holly and various winter shrubs from gardens. We then raffled these off as prizes and all went away with ideas for our homes.

On the 13th we met at the "Dolphin" in St Ives for a nice meal and the following week continued our festivities with our annual party at the Church Centre. We enjoyed

snacks, drinks and lots of music and each had a present which we had contributed too. It was a sociable afternoon although a few members were not present due to illness; we wish them better soon.

The members of the club were invited to the nativity play at the school. It was performed very nicely, the children spoke clearly and the singing and acting were a pleasure to see. "3 cheers to the teachers!". We thank them for the invitation.

We resumed our meetings on 17th January when the itinerary for the following months was drawn up.

You are welcome to join us and make new friends or meet up with old ones. We meet every other Wednesday in the Church Centre between 2pm and 4pm.

**Forthcoming meetings:** January 31st, February 14th and 28th.

## Hilton Feast Week

Welcome to Feast Week in 2007!

We have several events in the pipeline, the first of which is to be a Disco in the Village Hall on the 24<sup>th</sup> of February. It will start at 8pm and finish at midnight, with music being provided by that Feast Week favourite, Dean's Disco! The ticket price of £10 will include 4 drinks (lager, wine, bitter or alcopop) of your choice. If you would like to purchase a ticket to include non-alcoholic drinks, these will be £7. Please note, the ticket price will NOT include food, although burgers etc. will be available on the evening. In order to give your hardworking committee a rest, a group of volunteers have kindly agreed to organise and run this event. If you would like tickets, please contact Pam and Phil Whitbread on 831946.

The next two events are a Murder Mystery evening on the 24<sup>th</sup> of March, followed by a quiz on the 28<sup>th</sup> of April. Details will follow, so keep an eye on the usual places for more information!

The committee would like to thank all those who purchased Christmas Hamper raffle tickets, and to our band of tireless volunteers who helped to sell them. Due to a misunderstanding, some people were sold tickets at £5 each instead of £1 and we would like to assure those people that we put extra tickets in the draw to the equivalent of their expenditure.

Congratulations to the Barradells who won the lovely hamper – we hope you enjoyed it!

Finally, as some of you may be aware, we now post information about Feast Week matters on the village website which can be found at [www.hilton-village.com](http://www.hilton-village.com)

As ever, if you wish to speak to any member of the committee, their contact details will follow.

watching TV on the comfy sofa in your nice warm house during the day? Well some of our Scouts weren't !

19 Scouts and 4 courageous adults (thanks folks) were at Gilwell Park for the first major event of the Scouting Centenary – Winter Camp. It was just a little bit muddy!

### Irish Quiz Night – Friday 16<sup>th</sup> March

We will be holding an Irish Quiz nights for adults on Friday 16<sup>th</sup> March in the School Hall starting at 7.30 p.m. We will have a bar selling Guinness, Lager and Wine and will be serving a meal of Irish stew and Jacket Potatoes.

## Hilton Cricket Club

Our Christmas holiday was marred by events in the Antipodes. Here are a few of the headlines and newspaper quotes which tormented us:

**POMMIES: SEND OVER YOUR FIRST TEAM, NEXT TIME** (Sydney Morning Herald)

**“In them days, if we bust a rib or two, we just shook ourselves and got on with it”**

(G Boycott in The Barnsley Trumpet)

**COMPLETE HUMIDIFICATION** (The Sun)

**“Aaaarrgh!”** (A Flintoff, on realising that Harmison’s first ball was heading straight for him at second slip)

**ASHES WHITEWASH CONSPIRACY: DID DUKE OF EDINBURGH ORDER IT?**

(Daily Express)

**“50°C – bah! In them days, they wouldn’t give us a drink until we’d batted for three days at least”** (G Boycott in The Tadcaster Times)

Meanwhile, the outcome of Hilton’s Summer 2006 Tour of Cambridgeshire scarcely raised a mention in the press. We came a creditable third in our division. We’ll be doing it all over again when global warming sets in, three months from now. For those fans with SatNav, here is where we’ll be in 2007:

PS The Pavilion Clock has been returned, fit and well! The wonders of modern clock medicine conquered its paralysis and it can move its hands once again. Our thanks to Lou King, Graham Barradell, a ladder and a screwdriver!
