LETTERS & NOTICES

Destruction and Devastation on Cranesbrooke

In 2015 I wrote a piece for spectrum called Where is this special place?

Picture this: Blue skies sun shining golden fields of barley
A large oak tree in the foreground, church spire in the distance.
Walking along the footpath edged with poppies in early summer,
Cow parsley and lovely grasses turning pink then golden brown in the late
Summer sun

Dancing at your feet, [butterflies](#). In the spring you might see an orange tip. In
The summer a large white, a peacock, a little blue, a meadow brown, a ringlet or some
skippers. Each year it changes slightly, but they are always there when the sun shines.
Skimming over the fields are the dragonflies, last year there were huge bronze ones
glistening in the sun. This year blue and lime green and little blue damson flies flitting
along the path at your feet.

In the distance the familiar sound of the resident green woodpecker and overhead a flock
of geese off to their favourite watering hole. Swifts arriving in early May.

Where is this special place?It's on your doorstep of course!

Many of you will know this as the little woodland off Cranesbrook in Fenstanton. It is no
longer a lovely place as the 'builders' have been in and ripped everything out of the
drainage bowl area. In early April the first spring sunshine I walked over in the evening
and the whole area was full of birdsong it was a real joy, a safe place for the birds to nest,
water voles to breed and many other animal and insects to breed. It is a privilege that we
live so near that we can enjoy and share the countryside.

There is no doubt the area could have had a little tidy up at the right time 'not' in prime
nesting and breeding season. It is now a sight of utter devastation there is nothing left.

AND FOR WHAT?

FENSTANTON & HILTON PRIMARY SCHOOL
still "Passionate about learning"

An urgent plea from Fenstanton & Hilton Primary School

To all residents, parents, visitors and visitors of residents:

Please please please **DO NOT PARK** at the entrance to or down School Lane if it will obstruct and prevent Emergency Vehicles (ambulance, fire engines etc.), delivery vehicles and refuse trucks.

Access to School Lane today (14.6.18) was prevented due to other car users parking without considering the other larger vehicles which frequently visit school. This occurrence happens far too often.

To ensure the school can function effectively our service providers need access at all times and most importantly in an emergency for the safety of the children and staff.

Please park considerately. Thank you.

DOG FOULING.

Unfortunately there are still some dog owners who do not clean up after their dogs and we have been finding dog mess on the grass verge and on the grass inside our hedge along Potton Road.

Children walk along the verge on their way to the bus stop and don't want it on their shoes and it is unpleasant for our property steward, who has to clean the mower blades after cutting the grass.

Please clean up after your dog and dispose of the mess in the bins provided around the village.

Thank you.

Fenstanton History By John Deeks

Fenstanton and the Giant Fissure:

On the 8 June 1783 a giant fissure appeared in the ground in Laki in Iceland. The eruption that followed lasted eight months and threw 8 million tons of hydrogen fluoride into the atmosphere. The resulting toxic cloud that spread over Europe was known as the Laki Haze, reaching Britain on the 23 June 1783. The following summer (1784) became known as the 'Sand Summer' due to the ash fallout.

**The site of the giant fissure in
2018**

Over the summer of 1784 In the UK, an estimated 23,000 people died due to inhalation of the poisonous gas, choking as their internal soft tissues swelled. Also, as a result, it was the hottest summer on record, with severe thunder storms and hailstones so big they killed cattle.

The haze dispersed by autumn, but the following winter was also the harshest on record with 28 days of continuous frost reported. This caused the nationwide deaths of a further 8,000 people. Naturalist Gilbert White, described the "horrible phenomena" of the time:

"The sun, at noon, looked as blank as a clouded moon, and shed a rust- coloured ferruginous light on the ground, and floors of rooms; but was particularly lurid and blood-coloured at rising and setting. All the time the heat was so intense that butchers' meat could hardly be eaten on the day after it was killed; and the flies swarmed so in the lanes and hedges that they rendered the horses half frantic, and riding irksome. The country people began to look, with a superstitious awe, at the red, aspect of the sun."

So, how did all this affect the people of Fenstanton? In 1783 (the year that the lord of the manor, Lancelot Brown was laid to rest in the parish church) and 1784 there were 50 burials in Fenstanton, a third more than the average for the village. So we can assume that the effects of the fissure came to our village.

From the Fenstanton parish register:

1783: 29 burials of which 16 were children

Richard & Mary Smith lost two sons this year

1784: 21 burials of which 7 were children

Sadly at this time the parish register does not record people's ages although suddenly in 1785 the clerk started to record people's occupations.

Extract from a letter sent from Cambridge to the Derby Mercury 3rd July 1783.

"On Wednesday afternoon, about five o'clock, there was a violent storm of thunder and lightning at Fenstanton and the neighbourhood. A Fire-ball fell on a barn belonging to Mr. Hipwell of Fenstanton to which it set fire, and the flames were instantly communicated to the house of a poor weaver at some yards distance, whose whole property, together with a quantity of cloth, belonging to his employers, was consumed."*

Notwithstanding every possible assistance, 4 dwelling houses, with several barns, out-houses, were destroyed, and four pigs belonging to Mr. Hipwell perished in the flames. A haystack continued burning yesterday morning, and a labouring man, going into a stable in order to bring out a horse, received a violent kick and died instantly. We are told that none of the sufferers were insured except for Mr. Hipwell".

FENSTANTON WI

June was Scam Awareness Month so it was appropriate that we welcomed Charlotte Homent to our meeting from the Community Protection Team at Cambridgeshire County Council. They work with the National Trading Standards Scams Team and are made aware of people who are being targeted.

A scam is a type of fraud. Action Fraud describe fraud as being “ when trickery is used to gain a dishonest advantage, which is often financial, over another person ”. We were given examples of the 4 main methods of scamming – post, telephone, internet and doorstep and then ways of how to avoid them. 3 million people per annum in the UK lose up to £10 billion. The average age of a scam victim is 75 but people of any age can be targeted, but the exact number is not known as only 5% of scams are reported. Social isolation can make people respond to scams and often can be the cause of family breakdowns.

At the end of the talk I'm sure we all felt more confident in being able to recognise scams and how to protect ourselves.

Meetings Programme:

July 5th – Hyperion Auctions and Antiques – Lester Day

August 2nd – Skincare – Kay Ball

September 6th – History of Magic – Part 2 – Paul Vickers

Why not come along and join us. We are friendly and welcoming , with a membership of all ages and meet in the Church Centre on the first Thursday of the month (except January) at 7.30 pm

For more information you can email our secretary Deborah Markl – marklquinn@gmail.com

The season is now well underway and all the league teams are busy with the fixtures, as usual with mixed results. We are now about a third of the way through this season and, as I write, two of our league teams are top of their respective leagues. The other teams are also doing well. Several of the club friendly games have been played and enjoyed by all. Club competitions are about to begin and the County

competitions are well under way. As always the club is very busy.

We have been lucky this year to welcome some new members. As a new member you can be sure of a very warm welcome at Fenstanton Bowls Club. Everyone is welcome from absolute beginners to experienced players. All the details of our club are on our comprehensive website. If you do not have access to the internet ring Roger on 01480 394624 for further information.

The club is open on Thursday mornings at 10am to members and non-members alike. This is a good place to start. If you would like to try your hand at bowling but cannot make it on Thursday mornings, an introductory bowls session can be organised at any other time by prior arrangement. We have two qualified coaches at the club and there is no charge for coaching beginners. All necessary equipment can be supplied.

At the beginning of July we are looking forward to our local scout group visiting our bowls green for a taster session. It should be an interesting and fun evening. If any other local group is interested in doing something similar, please contact the club.

THE FEN SHANTY FOLK

Thursday of the month we meet in our homes the rest of the month in Fenstanton Church Centre.

If you enjoy singing in good company why not come along? We would love to see you.

FENSTANTON SURGERY

Our new group practice

Who ?

What's happening and why?

When will it happen?

How will this affect patient care?

Who can you contact for further information?

Riverport Medical Practice Our First Newsletter

Who? - The Riverport Practice will be made up of Orchard Surgery in St Ives, Parkhall Surgery in Somersham, Northcote House in St Ives & Fenstanton Surgery.

What's happening & Why? - The three individual practices submitted an application to NHS England & Cambridgeshire & Peterborough CCG requesting that we be allowed to merge and form a group practice. We are really pleased to announce that this has been approved and we are now working towards this aim. As three small practices we were all finding it difficult to meet the challenges of resilience, provision of appointments over extended hours and recruitment. As a group we are confident that we will be able to better manage these for our patients. One of the first big changes is that Orchard and Parkhall will change their clinical software so all sites will be using SystmOne. This needs to happen prior to the actual merger and is scheduled for August/September 18. After the official merger the systems at all sites will be linked. This merger has given our staff a new goal to work towards and we are all looking forward to our new way of working and providing more services for our patients across the sites.

When will it happen? We set 1st October 2018 as our preferred date and we are still confident that the first stages of the merger will happen at this time

How will this affect patients and their care? Initially the individual practices will retain their current telephone numbers so that you can contact us in the usual way. We will be able to offer you appointments at all sites giving you more choice of doctors and nurses with whom you may consult. We will have a choice of both male and female GPs, a Nurse Practitioner, Practice Nurses and Healthcare Assistants. There will be a management team dealing with the different aspects of general practice management and they will be supported by administrative and reception teams. As a group we will be able to offer a wider range of services to all our patients using the wider clinical expertise available to us. We are really excited about the merger and look forward to sharing all the benefits with our patients.

NEED MORE INFORMATION?

We plan to issue regular updates in the following ways:

- ◆ Newsletters in the practices
- ◆ Articles in local magazines
- ◆ Information on our websites

Should you have any specific questions then please contact Jenny Parker either by letter at:

FENSTANTON VILLAGE HALL TRUST

FVHT report for Spectrum July/August 2018

Many thanks to everyone who registered their garage and to everyone who visited them in the Village Garage Sale on Sunday, 20th May. It was a great day for sitting in the sun or walking from garage to garage - bright, warm and sunny - so that everyone enjoyed a pleasant morning outside. Though fewer garages (31) registered than last year (46) it didn't matter as more people were able to visit most of them. FVHT is pleased to report a profit of £333.50, £15 up on last year, from the registrations, sale of maps and donations, all of which goes towards the costs of constructing a new village hall.

We look forward to taking part in Sports Day on 7th July when we will be serving teas, coffees and cakes. Sadly, we will not be holding the Cycle Treasure Hunt in September this year because the number of participants has dwindled so much in the last few years that it is not fair to ask the route planners to put in all the work. If you feel strongly about it please let us know on fenstantonvillagehall@gmail.com so that we can consider it for another year. Jane Blunt

FENSTANTON FRIENDSHIP CLUB

23rd May We had a wonderful afternoon being entertained by Tom Kennedy. The music and singing was great and brought back many memories of past eras. Always an uplifting time with Tom.

6th June 25 members went to the Hartford Mill at the Marina for lunch. The food was very good and we were able to celebrate Kath Rolphs 90th birthday by singing Happy

Birthday.

We all had a lovely time, an experience to be repeated.

Upcoming events

4th July A trip to Scotsdale Garden Centre for a talk followed by a cream tea.

18th July History of Magic

1st August Trip on the Ladybird Boat, we will travel up to Brampton and call in at Godmanchester for a fish and chip's lunch.

15th August "Shopping through the Ages" by a representative of the Norris Museum.

29th August Bingo and games

We meet every other Wednesday from 2.00 pm until 4.00 pm in the building of the United Reformed Church building in Chequer Street.

Everyone made welcome. Enquiries to Marie Newns 01480 350677

HILTON BRITISH LEGION

The next and final Everyman Remembered ceremony for Hilton will take place on Sunday September 23rd during Morning Service in the Parish Church beginning at 11.15 am .

Two men who succumbed in 1918 will be honoured : John Ellwood and Sidney Jones .

John Ellwood 's parents were Joseph, a farm labourer born in Hilton and Harriet Maria, neé Abram and born in Elsworth. They had six children, all born in Hilton except John who was born in Fenstanton, The family lived in Hilton End farm until Joseph died and Harriet moved into Tithe Cottage .

It would be wonderful if any of the Ellwood descendants could be traced and so be at this special tribute - does anyone know of them ?

Little is known of Sidney Jones of HMS Vivid , save that he had probably been 'adopted ' by a Hilton family and is buried in a War Grave in Hilton churchyard but not named on our Memorial. Any further information on him would be very welcome to make his tribute more personal than his military records alone .

163 local men have now been remembered since August 2014 and after John and Sydney 14 more will be so honoured , a total of 179 in the 4 years of WW1 . The final tribute is to take place in Fenstanton on November 4th .

That was a huge workforce lost in St Ives and surrounding villages whilst of course yet more returning veterans were to die of injuries in the years beyond 1918 .

Julie (01480 830580) and Margaret (01480 831186)

The Poppy Project

We are very proud to say that the total received SO FAR stands at over 3.000 knitted poppies and still arriving! Thank you to everyone who has burnt midnight oil to contribute, it will be a wonderful display on the St. Ives Town Hall during Poppy Appeal fortnight and in the future .

The netting to which they will be attached has arrived so the work to attach the poppies will have begun when this July edition reaches your door and the aim is to have it ready by the end of September. Rest assured that every poppy will be used !

Again, very many thanks to everyone .

Monica (01480 395552) and Margaret (01480831186)

Hilton Indoor Afternoon Street Party Remembering Peace in 1918

Early Bird has been hard at work planning his (her ?) Afternoon Street Party on November 11th in Hilton Village Hall. Refreshments and decorations are sorted and some lovely people have agreed to entertain, all with the aim to reflect how Hilton might have celebrated 100 years ago.

If you long to perform your party piece - do volunteer and maybe think if you would like to dress up ?

Any money raised will be donated to the charity Scotties Little Soldiers which supports bereaved children who have lost a serving parent in conflict .

More news next month!

HILTON PARISH COUNCIL

Hilton Parish Council Parish Council Meeting, 4th June 2018 Cycle Path

The Parish Council will continue to explore opportunities for a cycle route between Hilton and Fenstanton and thereby allowing connection to St Ives and the guided busway. The initial plan has been thwarted by the 'pavement' on the B1040 bridge over the new A14 being on the West side and therefore not connecting with the existing path on the East side of the B1040. Another route is being considered and members of the council will be meeting to discuss further.

Parish Council Paths

Quotations to refurbish the solid surface paths that cross the Green have been received. The Parish Council agreed to accept the quote from a local contractor and it is anticipated that the work will commence in August.

Firework Display

The display for 2018 was discussed with Saturday 3 November 2018 selected for the event night. The budget for the fireworks was discussed and the display will be discussed in more detail at the next meeting, including the entry prices.

Water Voles and the A14

At the recent Annual Parish Meeting the A14 delivery team were keen to stress their conservation activities. Water voles have been displaced by the recent work and the council have been approached to approve relocation within the village watercourses. A survey will take place soon to see if this activity would be appropriate.

Next Meeting

The next full meeting of the Parish Council will take place on Monday 2 July 2018 at 7.30 pm at Hilton Village Hall. Please note that the Parish Council does not meet in August and the next meeting after that will be on Monday 3 September 2018 in Hilton Village Hall.

Notice of agendas, minutes of meetings and contact details will be placed on the HPC website; www.hilton-pc.co.uk and on the three village notice boards.

HILTON ART CLUB

The last session was 'No Brush Painting', where we used feathers, cotton buds, pens, ink droppers etc. to create vibrant paintings during the morning. There was a display of our mini-sketchbooks, in which we had each done a drawing every day for 28 days. A challenge to keep up, but really good practise! Many thanks to Helen and Kathy for the cakes, which were delicious.

20th July 9.30am – 12.30pm ON TOP OF THE WORLD: Looking Up, Looking Down. Please bring your own Pictures/props.

Dates and times TBA ART CLUB EXHIBITION, part of Feast Week Art Show at Hilton Village Hall.

3rd August 9.30am – 12.30pm OUTSIDE VISIT: En plein air painting, St Ives Meadow (lunch at the River Terrace Cafe).

Charity raffle in aid of

Simon Dew who is the grandson of the founder of Dews Coaches one of the few private bus companies in our area, came to give us a talk on how it started from small beginnings to the very busy and thriving business it has now become.

His grandfather Ron always had an interest in transport and after his war years he drove trucks and buses and after doing deliveries in a local area of fruit and vegetables he realised that people in rural areas needed transport to work and for pleasure.

He bought his first coach on April 1st 1953 and his business grew quite quickly and when in 1955 St Ivo school opened he was able to provide transport from surrounding villages for the children.

As he acquired more coaches his business grew and the coaches themselves were larger 11 metres long instead of 9 metres so in 1971 the company moved to larger premises and decided to do holiday tours both at home and abroad.

Their first trip was to Switzerland for the pupils of Ailwyn school in Ramsey and this was the start of expanding his fleet to bigger and better coaches as in the 1980's and into the 1990's his fleet again outgrew their premises and in 1991 they moved again.

Simon told us that for about 18 months he and other drivers took visitors from all over the world round Cambridge on the open top buses but it was not financially viable but was very interesting and gave visiting Cambridge a whole new perspective.

He won coach driver of the year in 1999 and also 2000.

In 2006 the fleet expanded again as they bought more general purpose vehicles to cope with demand for more school runs, shopping and short trips, but also bought more expensive coaches in 2015 to enable them get involved in transporting football and rugby clubs to their matches here and abroad. They were hired by the All Blacks and also by Coca Cola and put special livery made of plastic film on the coaches which could be peeled off after the event.

They now help to raise money for EACH the children's Hospice and also take them and their families on outings.

They now have 43 vehicles including a few old ones which have been used in films such as Foyle's law and some Miss Marple productions.

The latest addition to their fleet is a 32 seater luxury coach so we may be inspired to give it a try!
