HILTON RAINBOWS IS CLOSING.....

I am very sorry to have to announce that Rainbows was suspended at the end of the summer term due to having no leader. Our present leader is unable to continue due to other commitments.

Hilton Rainbows opened almost 9 years ago and takes 5 and 6 year old girls, predominantly from the villages of Hilton and Fenstanton. Rainbows are the youngest members of Girl Guiding UK and most girls go on to join Brownies. The unit is thriving and always has a waiting list so we are desperate to keep it going. We have a couple of people who are able to help run the unit but not every week so we need someone to either job share or take the lead.

If this is you or if you would like to find out more before committing yourself please phone either Anna Gilbey on 493063 or Karen Baker on 830156.

We look forward to hearing from you.

DON'T FORGET THE COLOUR SUPPLEMENT

If your pictures are not in there, you did not send any for us to use!

Many thanks to the organizers and everyone involved in the superb 'Fringe in the Fen' festival. To have such wonderful recitals and concerts available on our doorstep for the week of 9th - 16th July was an opportunity not to be missed. I was lucky enough to attend 6 recitals/concerts and enjoyed every one immensely.

The huge amount of work taken to organize and run the festival so smoothly cannot be underestimated, so many thanks to everyone who contributed their time and talent to make the festival such a wonderful success.

I hope the fruits of their labour is that the target of £30K for MacMillan Cancer Support was realized, and that a similar festival can return to Fenstanton at a future date.

Ellen Kemp, Headlands.

I know that I am voicing the opinion of many in Fenstanton when I say a hearty and thoroughly deserved congratulations and thanks to Nigel and Lynda for staging such a wonderful series of events.

We should be proud to have two such selfless people working so hard for Macmillan Cancer and for Fenstanton. Three cheers for you both and all your team.

David Martynski plus many others.

Hilton Newcomers

We attempt to welcome all newcomers to our friendly village of Hilton. Sadly, we miss many of you, mainly because the small team is not aware of your arrival.

So, if you are newly arrived and have not received our welcome pack of village literature or, equally importantly, if you have a new neighbour who may have been missed, please let us know.

Himalayan Charity Challenge 2011

During October 2011 Hilton residents **Ian Arnold** and **Kieron Dunk** will be attempting a Himalayan **Charity Challenge** and would like to ask for your support in sponsoring us. Our target is to raise £5000 for the charities: **MENCAP** which continues to need support in providing the voice and representation for people of all ages with learning disabilities; and **FLY2HELP** which helps lift the horizons of disabled and disadvantaged people by giving them the opportunity to experience the excitement, thrill and freedom of flight.

Charity Challenge is totally self-funded **all** the money donated will go directly to the charities. Our Challenge is to undertake a round 100km trek through Nepal to Mount Everest Base Camp, followed by a summit attempt on the permanent ice peak of the 20,300ft high Mount Imja Tse. Mt Imja Tse lies just 4 km from Everest and sits almost upon the Tibetan border.

AMS or Altitude Mountain Sickness, -25°C temperatures, and only having 40% of Oxygen found at sea level to breath all add to the severity of this challenge.

We will do the hard work of climbing; all we request from you is to make a donation to the charities we are collecting for. We will be enormously grateful, and knowing we have your support will spur us onward and upward. **Thank you., Ian and Kieron.**

Donations can be made online by visiting these address

Help At Home combines with Welcome Home from Hospital and now helps people to remain at home during an illness

Care Network Cambridgeshire's direct services are probably best known for their Welcome Home from Hospital service where volunteers offer short-term practical help for people returning home after a hospital stay.

Admission Avoidance - sometimes older, disabled or vulnerable people living alone find it difficult to manage when they become ill at home and end up in hospital due to the lack of practical help. Care Network has now combined Welcome Home with Help in the Home so that volunteers can offer short term Help in the Home in the Hunts and Fenland area. 'Help at Home', as with Welcome Home, offers free help with tasks like: calling in to see someone is OK; collecting prescriptions; shopping, and contacting other services. As well as one-off tasks like changing a light bulb.

Volunteers needed!

Help at Home is looking for volunteers, it's a unique opportunity which only commits you for 2-3 weeks at a time. If you wish to help, or are interested in finding out more about the service please call Heidi on 01354 694413.

Care Network is a Cambridgeshire charity which helps older, isolated and vulnerable people living in Cambridgeshire to stay independent and maintain social contact with friends and the community. We do this in 2 ways:

By our direct services – Welcome Home and Help at Home

By providing support for local groups and volunteers to design and set up new schemes. We will try to help with anything! Some examples are: lunch clubs, social car schemes, village help schemes, mobile wardens, and social groups.

For further information contact our head office on 01954 211919.

Police report. The most recent information available is for the month of April which indicated the following reported incidents: 2 incidents of anti social behaviour, 3 other unspecified crimes. The Parish Council urges Parishioners to be vigilant and report any suspicious behaviour to the Police. Telephone 0345 456 456 4, Crimestoppers can be contacted on 0800 55 51 11 or in an emergency 999.

Dogs and the woodland walk Whilst the woodland walk is the ideal area to allow dogs some freedom to go exploring off the lead, owners must be aware of where their dogs are and be conscious of other dog owners and walkers. Members of the Parish Council have been made aware of a number of incidents where dogs have approached other dogs and walkers in an aggressive manner. In all these incidents the owner has not been in the vicinity and is totally unaware of the distress that their dog is causing to other people. With this in mind the request is made that, if you let your dog off the lead, you know where your dog is and that you ensure the dog is under control when you are aware of other walkers. Dog owners are also reminded that the woodland walk is a footpath and are therefore required to clean up if their dog fouls.

Stagecoach service 20. The service 20 is scheduled to commence on 7th August to coincide with the opening of the Guided Busway. The first departure from the Headlands bus stop is 0633 stopping at the Clock tower and terminating at the Park & Ride site. During the day the service operates every thirty minutes. The last departure to St Ives is 17:38 whilst the last departure from St Ives is 19:50. Whilst it is, perhaps, disappointing that the service does not operate later in the evening to allow access to both St Ives and Cambridge, Parishioners are urged to use the service if possible as there is a concern that if Stagecoach deem it is not a profitable route it will be withdrawn. In short 'use it or lose it'. The full timetable is available on the Stagecoach website.

Hampton Close open space. The transfer of the Hampton Close open space from the developer to the Parish Council was completed on 1st July.

Cemetery lighting. The Parish Council is continuing to press the contractor to install the lighting in the Cemetery. The Parish Council has been advised that the delay is being caused by the supplier of the lamp standard.

Next Meeting. The next meeting of Fenstanton Parish Council will be held on Thursday **8th September** 2011 at 7:30pm at Fenstanton and Hilton Primary School, School Lane, Fenstanton. Members of the press and public are welcome.

Whippet Coaches continues Fenstanton Bus Services

Locally-owned Go-Whippet has received many enquiries recently regarding changes to their services following the August opening of the new busway.

Go-Whippet routes 1A and 5 operate between Cambridge, Fenstanton, St Ives, Bar Hill and also Huntingdon – these services will continue to operate at least half hourly starting just after 0700 into Cambridge with the last bus leaving Cambridge for Fenstanton at 1815 daily – the Sunday timetable will also be continued. Whippet Coaches has always endeavoured to offer good value fares.

The company has always seen the busway as an additional route within its network and has **no plans** to reduce the level of service on its other commercial routes. Indeed, if there is a gap in the market and the demand from the local community is sufficient it will look at ways these can be met by them.

These timetables are available to view at www.go-whippet.co.uk

HILTON PARISH COUNCIL—JULY MEETING

Hilton Parish Council are working with Cambs County Council regarding proposed new guidelines for HCV routing. As a result members of the Parish Council and volunteers will be seen measuring widths of the road and footpaths along the B1040, counting the number of pedestrians and cyclists at a given date and time, counting the number of houses and the distance they are from the B1040. All the information will be collected by mid September and submitted to the County Council for analysis.

Dog Waste – it isn't just dog waste, it's the dog waste bags – please clean up after your dog and use the bins located around the village, do not leave the bags on the ground to collect later. The Parish Council are looking into getting more bins around the village for this purpose. If you have any suggestions where they are needed please get in touch with the Clerk.

Parking - a reminder that parking is not permitted during the cricket season along Wraggs Row. The Parish Council ask car drivers to park respectfully around the village and not to cause damage to the greens and verges.

Our next meeting is Monday 5th September at 7.30 pm in the Village Hall. Anyone is welcome to attend and parishioners are allowed to speak during the open session only. The Agendas for Parish Council meetings are posted on the 3 notice boards and on the village website 5 days before each meeting.

All Minutes of our meetings can be found on the village website. www.hilton-village.com

From the Village hall Chairman Once again the ladies of the Committee have put on another splendid social event, this time in the form of a 'hog roast'. The Hall was packed to capacity as our guests tucked into the tasty 'hog' along with a selection of salads, delicious desserts all washed down with copious amounts of vino – thus creating quite a "cheery" atmosphere!! During the evening we were entertained by a young singer, Marie, from Stageworks. A good time had by one and all. Proceeds will be going into the upkeep of this valuable Village amenity. Thanks must go, not only to the Committee, but to all the "willing volunteers" who turn out, happy to help in the setting up and running of such events.

HILTON ACTION FOR TRAFFIC GROUP (HAT)

Just what can be done to get rid of all those trucks and lorries that steam through Hilton every day? Over many years, folk living along and near Potton Road, have suffered.

Cllr Bates has arranged for Hilton to be one of four Cambs villages trialing a new Heavy Commercial Vehicle Sensitivity Assessment during September. This will involve volunteers from the community measuring a number of parameters (road widths, availability of footpaths, numbers of pedestrians, numbers of homes within 2m. of the road. These have been deemed by Cambs County Council to be indicators of our "sensitivity" to the damaging effects of HCVs on our lives. If on analysis of the results and in comparison with other villages, the County Council decides the village's concerns are justified, then the Parish Council itself will be expected to negotiate with the haulage companies and persuade them to take an alternative route. HAT fully supports the trialing of this new process.

But if you are optimistic of achieving a 24/7 lorry ban, don't hold your breath! The large haulage firms seem bent on continuing to run through Hilton along the Potton Road. And as was the case with the A14 Development Project, our local authorities have shown they are prepared to sacrifice Hilton's environment for the sake of what they describe as the greater good, more building construction and lorry movements. Well, what can you do?

COMPLAIN! to the Parish Council. Demand action from your County Councillor. Write to your MP and to the relevant newspapers. Make a fuss.

To contact us at HAT, send e-mail to: HAT-Hilton@hotmail.co.uk

NEWS from THE VILLAGE CHURCHES

Since I have become involved in the life of Hilton as priest in charge of the parish church, I have been struck by the very high level of community spirit that seems to exist in the village. (I hope residents of Fenstanton will excuse these remarks – I can't speak from first-hand experience, but from what I hear the same applies there too.) People seem genuinely to value living in the village and to enjoy each other's company, and work hard to make things happen that bring people together and add to the quality of life for all. I thought Feast Week – and the Sports Day especially – was just great!

I am writing these few words the week after the appalling riots that took place in cities across England. By the time you read this in September, the riots may not be making headlines daily, but they will certainly not become old news as easily as some events. We have all been shaken by what happened and disturbed by what it reveals about the state of our society, and I don't think anyone in this land can say that it doesn't concern him or her.

I know that living in such attractive and flourishing communities as Fenstanton and Hilton does not guarantee that life is a bed of roses – it seldom is, anywhere – but the contrast with the scenes we have witnessed in our cities could hardly be greater. A human-scale environment and a shared sense of belonging to a worthwhile community seem to be some of the ingredients that make for peace and the development of mutual care. These are things we can all recognise as valuable, whatever our faith, but they also are at the heart of Christian living. At its root, the Christian message is not a list of do's and don'ts, but the story of how all are included, welcomed, embraced – even those who reject this embrace – in the source of life and love which is God. Our challenge is to bring this story alive now, where we live, and to provide an alternative to despair and violence.

TOTS PRAISE - HILTON

We are so looking forward to the next "Tots Praise" after the Summer holidays. Hope you all had a happy time. There will be a welcome for Mothers, Fathers, Grandparents, Carers, Aunts & Uncles & new tots when we hear a story, sing songs, activity to take home & generally enjoy ourselves, starting with a good mug of coffee. We meet at St. Mary Magdalene Church on the last Tuesday of every month, 1.30 --2.30pm. (Sept. 27th)

New time for church services in Hilton

Please be aware that the early morning services in the Parish Church - held on the 1st and 3rd Sundays of every month - will start at 8.00am instead of 8.15am from September onwards. The reasoning behind this is so that our vicar has time to chat after the service and does not collect any speeding tickets racing between Hilton and Godmanchester! The 10am Children's Service (1st Sunday) and 11.15am family services (2nd, 4th & 5th Sundays) remain unchanged. Do please spread the word and set your alarm a little earlier!

What do you want from your church in Hilton?

Join us on Saturday 17th September for "Elevensies at 10am" - an informal get-together and your opportunity to tell our vicar and church council members what you would like your parish church to be doing for the village. This event is open to everyone in the village (even if you don't normally come to church) and is your chance to influence what goes on in, and around, your parish church. Tea, coffee and cakes will be served in the Village Hall from 10am until about 11am and there will be activities for children as well. For more information, please contact Rachel Wood on 830866.

Children's Church in Hilton

For those of you who were away for the last Saturday of Feast Week, Children's Church is delighted to announce that we were are now the proud owners of a 2nd place rosette and certificate for our group entry into the Feast Week Art Show - well done to all the children who painted the stained glass windows depicting the story of Moses in the Bulrushes. Children's church resumes on the 4th September after the summer break - come and join us for fun, songs, stories and crafts in the parish church. We meet on the 1st Sunday of the month during term time so dates for the rest of 2011 are - Sunday 4th September, Sunday 2nd October, Sunday 6th November and Sunday 4th December. For more information, please contact Rachel Wood on 830866. Hope to see you there!

Trading Standards – a spotlight on energy

We all want to do our bit to save energy around the home - to be 'green' and to save money. However, at Cambridgeshire County Council's Trading Standards Service we have seen an increase in queries from residents about 'cold callers' selling energy saving schemes, particularly loft insulation and solar energy, so below we offer some advice to help you.

Solar Energy

Before you start it's worth taking a look at the information provided by the Energy Saving Trust on www.energysavingtrust.org.uk or speaking to an advisor on 0800 512012.

For supplier/installer information, the Microgeneration Certification Scheme can provide a list of members online or by calling 0207 0901082. Membership is not compulsory, but you will need to use a member if you plan to use the Feed-in Tariff scheme (a government-backed initiative paying you for the electricity you generate).

Obtain three quotes to ensure the price and projected savings are competitive and realistic. Arrange a technical survey, rather than a sales visit, so the quote is accurate, and ensure all quotes are in writing, detailing what's included. Once you've chosen your installer read the contract carefully and ensure their claims about savings and maintenance costs are included before signing so that you have evidence of what you were told.

Remember! If you sign an agreement at home for solar energy, you should be given 7 days to cancel. If you need advice on this, ring Consumer Direct on 0845 4040506.

Loft and cavity insulation

When it comes to insulation, the Energy Saving Trust can provide information on grants and offers that can help you cover the cost of it. They can also provide a list of installers. It is advisable to use a member of the National Insulation Association, the Cavity Insulation Guarantee Agency or the British Board of Agreement, ideally who has signed up to a professional code of practice and provides a 25 year guarantee.

Reducing your energy bills

Start by checking with your current gas and electricity supplier that you are on their best rate. Then compare the prices of other suppliers in case you can get it cheaper – switching supplier could save you around £237 a year if you haven't changed before. You can compare prices on Consumer Focus's weekly pricing factsheets at www.consumerfocus.org.uk or by contacting Consumer Direct on 0845 4040506 for a paper copy. Also, most suppliers offer cheaper tariffs for 'vulnerable' customers, so it is worth enquiring about these 'social tariffs' if you are over 60, are on means tested benefits or are on low income. In addition, your District Council could offer you advice on how to reduce the amount of energy you use in your home by offering a home visit, or you can get tips by calling the Energy Saving Trust.

Support if you are struggling to pay your energy bills

If you are struggling to keep on top of energy bills, seek help from your local Citizens Advice Bureau, either in person or on the phone on 08444 111 444.

Finally, if you feel that you have been mis-sold any product or service – energy or otherwise - or have any other kind of consumer issue, contact our partner Consumer Direct for advice.

Staying independent, safe and well in Cambridgeshire

Information about adult social care in Cambridgeshire is now available on a new, easy-to-navigate website, developed by the County Council, called '**Your Life, Your Choice**'.

The aim is to ensure that everyone in Cambridgeshire who is: looking for information about adult social care; already receiving support; or caring for a friend or family member; has access to information at a time and in a format that suits them. In addition to the website a set of Your Life, Your Choice branded leaflets, providing information about adult social care in the county, will be available from libraries. Access to the Your Life, Your Choice website is also available in libraries together with help on hand for anyone requiring assistance with sourcing information.

For more information, look out for the Your Life, Your Choice logo in libraries and CAB Advice Hubs or access information and advice directly at www.yourlifeyourchoice.org.uk

Got better things to spend your money on than electricity bills?

Borrow an energy meter from any Cambridgeshire library free of charge and find out how you could cut your electricity bills by as much as 15%. The meters are easy and safe to use and show how much electricity is being used in your home at any one time. Using a meter can help you see just how much energy is used, for example, by lights in empty rooms, appliances on stand-by or boiling a full kettle.

Armed with this information, studies show that households can reduce their bills by 5 - 15% by making small changes to use less electricity. Ask to borrow a meter at your local library today and start planning what to do with your savings!

Green Tip: We all have an impact on the environment through our use of resources and burning fossil fuels for everyday activities such as driving cars and heating our homes. Bridge the Gap Charity Walk Sunday 11th September 2011 9.30am Jesus Green, Cambridge

This walk gives everyone the opportunity to take a leisurely stroll through rarely seen parts of Cambridge colleges – all for a good cause.

This year, we are celebrating our 10th anniversary and to make it an extra special event, we would like to include as many people as possible and to raise as much money as we can!

The event starts at 9.30am on Jesus Green. The route will take you through a number of colleges, often into areas not normally accessible to the public. This year walkers will also have the opportunity to see the Zoology museum. There are blue Badge Guides on hand to talk about the colleges and the other places of interest that you find on the route.

It is not a race and is for young and old, able and not so able. Entrance for the 16's and under is free but they do need to be accompanied by an adult. 17's and over pay a £15 entrance fee but by registering before August 31st 2011, this is only £10. We also ask that you help us raise as much money as you can through sponsorship or donations. We have prizes for the highest fundraiser in various categories, either as an individual or as a team.

For more information go to www.bridgethegapwalk.org You can also register on line or pick up a registration form from any branch of The Cambridge Building Society. Call us on 01223 723115

Another brilliant term of scouting fun and adventure

As yet another fun packed term has drawn to a close here is just a taste of what the Group got up to in just one week:

The Scout Troop learned (hands on of course!) about the English Civil war (in preparation for a Group weekend camp in September with the Sealed Knot at Naseby);

The Cub Pack headed off to Grafham Water for an evening of wet (and windy!) fun sailing;

The Beavers visited the Raptor Foundation to learn all about their work, and met some new feathered friends up close. This included a Barn Owl they have recently adopted - called Trevor!

Within weeks the Cub Pack then set sail for Pirate Camp, and just a few weeks later 11 Scouts joined 1800 others for a huge international camp (CamJam 2011) based on Huntingdon Racecourse. Whilst on camp they were able to try everything from skateboarding and fishing to zorbing and go karts. (see *pictures in the Colour Supplement*)

During CamJam 2011 we were joined by Scouts from 1st Southoe & Buckden, and between us we co-hosted a contingent of 36 German Scouts and leaders. Our new German friends were from the Scout District of Cologne, so needless to say we hope to be travelling there for a return visit next August!

3 of our Scouts and 1 of our Young Leaders are currently enjoying an amazing adventure as they are spending 2 weeks in Kandersteg, Switzerland, with our local District colleagues.

To the leadership team we would like to say enjoy the rest of the summer break, although we know much of it will be spent on planning the fun for the Autumn Term.

Looking for a home....

With such a large and active Scout Group we have a large amount of kit – everything from tents to benches and rolls of fencing to gas rings. We still urgently need to find somewhere much more local to keep it all (as much of it is currently stored out at Needingworth which is less than ideal) so if anyone knows where there may be a suitable large space (double garage size or larger) that we could use at a nominal rent, or space for us to put up a suitable storage unit, we would be very grateful. Access is only required on an “as and when” basis and averages out to around 20 times a year.

Under Seven Training – Mark Burman will be the Lead Coach for the Under Sevens this season. Training will start on Saturday 3rd September, subs are £2.00 per week on a turn up and play, no commitment basis. We welcome children from School Years One and Two, younger children can attend, but must be supervised at all times and parents should bear in mind that they will be playing with older, often more physical, children.

Mark will need extra help from parents and the Club will also be seeking a new Coach who can take on the current Year Ones as Mark takes the Year 2's into the Under 8 League in 2012. Volunteering to help is great fun and much appreciated. Mark can be contacted on: 01480 493128.

Reminder to All Parents for the safety of all children the Club insist that a parent or your nominated representative (someone who knows how to contact you) is in attendance during all Fenstanton Youth Football Club activities (both matches and training).

Subs for our League Players are now due. Mini Soccer Subs for the full season are £35.00 (£17.50 payable now, £17.50 payable in February); Youth Soccer Subs are £60 for the season (£30 payable now, £30 payable in February). Please give to your Team Administrators.

Respect Parents and Players will be asked by Fenstanton Youth Football Club to sign up to the FA's respect campaign.

The FA aims to help parents play a positive role, recognising that involvement in football can greatly influence the development of children, both in the football environment and in their overall lifestyles.

Parents also have a big responsibility as part of The FA's Respect programme. Respect is working to eradicate touchline abuse in football, and parents can play their part by agreeing to, and signing, their club's Code of Conduct and abiding by them throughout the season.

Parents also have a responsibility for their children's behaviour. The players will also be asked to sign a Code of Conduct, and parents can encourage their children to adhere to the Players' code.

Hilton Home Ground Under 11 and Under 12 spectators are asked to respect Hilton's Village Green and ALWAYS park at the village hall car park. When both teams play at home on the same day, kick off times will vary to allow for parking arrangements.

Thank you to Mo's Motors for their generous donation to the club and their ongoing support.

Committee Meetings are held every third Monday of the month at 8 pm in the George Public House. Everyone is welcome and encouraged to attend.

FENSTANTON SPORTS DAY

Your barely literate sports reporter writes: Well another Sports Day has come and gone and despite very few of you out there in Fenstanton land volunteering to help in advance, *as I politely asked*, we still had lots of help on the day. I must admit it's quite exciting anxiously standing on the field on the Friday evening wondering if anybody is going to turn up and then watching odd (and I mean odd) people wandering up hands in pockets fag in mouth and asking "what do you want us to do then". Still if we didn't have all of that anxiety and doubt coursing through our veins we wouldn't need to spend the rest of the year in the wonderful Home for the Totally Bewildered. But more of that next time.

The great day was again a success and most of the races were well supported, entries in the cycle races were down and we

may need to cut down on some of them. There were more stalls this year and don't forget, any organisation or club can run a stall for a small percentage of the profits. Just contact Ray on 01480 370973 and let us know if you want to and what sort of stall you will be running, we have one or two that you can use if you don't want to provide your own. It's too early to know how we did financially this year yet but early indications are that we made a small loss due to an unexpected rise in some of our costs but we are on course for another great event next year.

As always our thanks to everyone who helped in all sorts of ways, we couldn't do it without you.

Any comments on how we could make it better please let any of the committee know.

Time really does FLY!! The barbecue is in the dim and distant past!

By the time you get your copy of Spectrum the outdoor bowls season will be almost over. I don't play indoors but I am hoping to put a bit in each month just to remind you were we are! This season has been tinged with a great deal of sadness by the death of two of our lady bowlers. Both played in the top division of the Ladies League and the Cambridge and District League. They also entered most of the county and club competitions and were top bowlers. We shall miss Joan (Weston) and Heather (Brace) and our thoughts are with both their families.

As you know we have a "wonderful" web site. But I would just like to say that all our teams are playing very well and we still have a lot to play for. No pressure then!! This time next month I shall have all the results for you, so don't forget to read my bit (I know they will on the website but it keeps my computer skills going!)

I always also like to tell you of little incidents that happen in our games. We were playing a game at Chatteris in the Over 60's league on a Wednesday afternoon. Nice day, nice setting, over confident skip on their side. Last end Gill, Pat and myself took 7 shots (out of 9) to win our rink!! (much to the disgust of their skip who lost it! I have to say we were all "chuffed" to say the least and we came away very pleased with ourselves.

And I don't really believe in fate but on the evening of Joan's funeral we played our ladies league match against Ramsey and the score after 21 ends was a draw. This week we managed 2 points off Buckden and have stayed ahead of them at the top of the league! Heather and Joan would be proud.

We always associate 'The Abolition of Slavery' with William Wilberforce but Mr Brian Payne maintains that Thomas Clarkson was the 'gateway' to getting rid of this evil, sordid trade.

Thomas Clarkson was born in Wisbech in 1760, the son of the Headmaster of the Grammar School. Although he obtained a degree in Mathematics at St. John's College, Cambridge he decided he wanted to be a priest and was eventually ordained as a deacon. He was encouraged to enter a competition to write an essay in Latin entitled 'Is it right to make men slaves against their will?' He won the prize and because the essay had been read and adjudicated in London he was asked to give a talk there. On the way he stopped for a rest at Ware and God called him to give his life to the cause of abolition of slavery. A memorial marks the spot to this day. In London he received a lot of information and evidence from the Quakers who couldn't put a motion in Parliament because they weren't members of the Church of England. He wrote a booklet in 1786 on 'The slavery and Commerce of the Human Species' which proved to be a turning point. John Wesley, Josiah Wedgewood and John Cartwright supported Clarkson and a Society for the Abolition of the Slave Trade was formed. William Wilberforce, the MP for Hull raised it in Parliament but it was kicked out. Clarkson then travelled round the country visiting all the major ports such as Bristol and Liverpool interviewing sailors. Clarkson's brother John was Captain of a ship which carried slaves from West Africa to America. He was able to give Thomas necklaces, tools and woven cloth made by men and women in West Africa. Thomas put these in a chest and with other documents he was able to ask Wilberforce to raise it in Parliament again. It was not passed in the House of Commons but it went to the House of Lords who passed the Act in 1807. It abolished the slave

trade in England and English ships could no longer carry slaves. It was another 30 years before it was abolished internationally.

Mr Payne invited us to Wisbech to see the statue of Thomas Clarkson which was erected in 1881 and to the museum that contains Clarkson's chest as well as many other exhibits such as chains and manacles.

Val Rodgers gave the vote of thanks.

Our August meeting was a hands-on experience. Beryl Brooks came with a wonderful display of knitted bead jewellery. She uses copper wire coated with silver of different gauges. The pattern has to be worked out first on a board or on a piece of felt. The beads are then threaded on to a wire and knitted in the usual way incorporating one or two beads with each stitch depending on the size of the beads. Amidst much fun and laughter we all had a go with varying degrees of success.

Afterwards as well as buying a necklace or bracelet some of us were brave enough to buy a kit complete with wire, beads and instructions. Shall we see some wonderful creations at our next meeting? Maybe or maybe not!

Christine Rimmer gave the vote of thanks.

FENSTANTON VILLAGE HALL

We held our AGM on 27th June with three members of the public in attendance. 11 potential sites on which to build a village hall have now been identified and all but one have now been rejected. Fundraising continues with the Christmas Lights and Draw Event and the Cycle Treasure Hunt being the best moneyspinners.

The Committee ran two stalls at Sports Day on 2nd July. Richard Jacobs' photographs show children having good fun at the 'Splat the Rat!' and Hoop-la stalls (in the colour supplement). The Committee also supported Fringe in the Fen by providing refreshments for the two band nights held at the school raising a total of £590 for Village Hall funds. We welcome anyone who is interested in joining the Village Hall Committee.

The next meeting is on **12th September**.

Jane Blunt

FENSTANTON OVER 60'S

At our meeting on the 15th June we had a rather difficult quiz, we discussed details for the Bric a Brac stall we were having at the "George" held by the Royal British Legion, this was well supported and raised funds for our club and the Royal British Legion

At our meeting on the 29th June we had a Cream Tea, which has become an annual event, enjoyed by all our members.

Our next meeting, not on our usual club day, was at the Captain's Table at Hartford Marina, we ate our lunch cruising along the river Great Ouse between Hartford and Godmanchester, the weather was mainly dry but as a cool strong breeze was blowing very few of us ventured out of the saloon on to the deck.

The following day, our proper club day, was spent at the home of a couple of our members, we were to have been in the garden, but once again Mother Nature decided otherwise so we had our meal

indoors. It turned out to be an impromptu celebration of Jill's birthday, a good time was had by all.

On the 27th July our speaker was Mr John Deeks, who gave a very interesting talk on Researching Family History Genealogy and finished with a short history of Fenstanton. This was a really interesting and informative afternoon, and I'm sure that some of us will get to work unearthing our family past (including skeletons) or taking a greater interest in the area in which we live.

We were joined by Mrs Margaret Simpson and Eileen.

New members will be made welcome.

We meet on Wednesdays at 2pm at Fenstanton United Reformed Church, our next meetings will be on:

HILTON ART CLUB

On 1st July members met at The Dolphin Hotel and had a very enjoyable morning painting views of the river (the weather was thankfully kind to us!). Thanks to Bernadette for arranging permission with the hotel. Also in July, artist Mercedes Owen led a mixed media session.

Forthcoming meetings: on 16th September – holiday snaps and scenes, plus a celebration of members' work display, followed by a 'finger' buffet and on 21st September – designs with autumn leaves.

New members always welcome, just contact Diana Walsh on 01480 831410 or Gina Ward on 01480 830696 for details. Meetings are usually on the 3rd Friday of each month, term time, at Hilton Village Hall.

time but tickets can be ordered now to
ensure you don't miss out.

So please ring:
Rosemary Blake on 830137
or Pat Bellass on 839022.

In July our meeting was thrown open to other institutes as we had another visit from Gabriella, the Yukelele Lady, and sure enough the hall was full to bursting. As well as keeping us amused with her energy and enthusiasm Gabriella managed to bring into her act every single fact she had picked up from chatting to people in the tea break, all of whose names and anecdotes she remembered to the last detail, and her description of Hilton WI's imagined involvement in the opening ceremony of the 2012 Olympics had us almost crying with laughter. Even our visitors were not spared inclusion in Gabriella's tall tales and everyone agreed it had been a great evening.

A superb summer lunch was held in Celia's lovely garden on 9th August. It was a beautiful day; not too hot, but the sun shone and the Fenstanton Morris Dancers who entertained us even managed to get some of us up and dancing. We were pleased to have our Federation Chairman, Josette Kermath as our guest and we all enjoyed tucking into the many and delicious dishes on offer. (Try saying that with a mouthful of pavlova!)

August is the month when we have no formal meeting but we had a lovely trip to Sandringham last month and plans are afoot for many interesting speakers and activities for the coming months.

In September our speaker will be Maureen Ridley, taking us 'Around the World in 80 Dishes'.

For more information on our meetings ring Ruth Salem our Secretary on 830358.

HILTON PRODUCE SHOW

Hello! We hope you have had a good holiday break with time to enjoy your gardens. Produce Show Day, once again, was a wonderfully colourful occasion together with some added attractions. In particular the children's entries were both most imaginative and impressive – well done! With total entries of around six hundred the committee would like to thank everyone who helped on the day to make sure that all ran smoothly both in setting up and clearing away afterwards, and to our new Vicar, David Busk, for presenting the cups. We look forward to seeing you all again next year for yet another great start to Feast Week!

HILTON FEAST WEEK

What a wonderful Week. We the Feast Week Committee can only thank you all for attending and having such a great time. It makes all the hard work over the year worthwhile. Right from the start with all the effort on the floats and as always a greatly supported 'Produce show' we all felt that we would be in for another great week. For the second year now we were happy that our Vicar David Busk could hold a service in the marquee. It really adds to the Sunday and further demonstrates what a wonderful community we have here in Hilton.

The Irish Bingo was as ever hugely popular. Our thanks to the 'man of the mike' Peter Balicki and his able supporters Graham and Ade. Groovy Revolution rocked the 'big white house' as only they can! It's their second time at Feast Week and I am sure that they will soon be back for the hat-trick if this year's reception was anything to go by! Friday Evening's entertainment night had it all and then some! Steve's turn as our very own 'front of house' goes from strength to strength as does Dave's hand on the organizational tiller pulling all that talent together and keeping them to time! While Gareth and Amanda Stuart use all their professional powers to get the best out of our performers - Dean, Paul and Pete of Eclipse ably supported by George Lawton continue to WOW us year after year. Peerless at the Pumps our very own 'Bar Crew' Jon, Kate and Brian and their army of helpers kept us all watered and refreshed!

Peter Sampson and the rest of the Sports Day Committee once again did us proud. **We can all see the fun they are having and I believe that we pick up on that as participants and spectators alike. The village tea was yummy. Thanks to all the Feast Week Committee ladies and their Friends of Feast Week that put it all on for our benefit. While we enjoyed the tea Claire Macdonald announced the various winners of the Art Show. Once again Claire and the Art show Committee has put on another great exhibit and Hilton has demonstrated

again just how creative and artistic we are as a community.

A huge thanks once again to all the Friends of Feast Week that help out throughout the year and during the week. To all those kind and supportive Hiltonian's that chip in. Whether it's picking up litter or sleeping in the tent or storing Feast Week stock on their property or lending us stuff to help put Feast Week on or helping out on the BBQ or behind the bar or on the kids sweet stall. Many, many thanks from a very grateful Feast Week Committee.

I am delighted to remind you that the Summer Grand Draw tickets were won by: 1st place Sallie Crawley – 2nd The Oliver Family and 3rd – Bryn Thomas. Congratulations to the winners and thanks to all that purchased a ticket, it really does help toward the fundraising effort required to put Feast Week on.

I would like to remind you all that the Feast Week AGM is on the 13th of September in the Village Hall at 8pm. Please come along and give us your feedback and possibly consider putting yourself forward for the Committee or being a 'Friend of Feast Week. We look forward to seeing you there.

Lastly our thanks to Andy Bush and the Hilton Village Website Team that has supported us all year round and over Feast Week. Even now they are busy loading up images and video of Entertainment night which can be seen at: www.hilton-village.com
